RECOVERY IS OUT - TO CHANGE THE ADDICTION CONVERSATION FROM - PROBLEMS TO SOLUTIONS

LET'S CHANGE THE CONVERSATION ABOUT ADDICTION AND RECOVERY

Please join us to watch this excellent documentary where people in long-term recovery from alcohol and/or drug addiction courageously share their stories, helping end the stigma surrounding this public health epidemic. A lively conversation will follow on how to continue this powerful message of hope.

All are welcome including family members, persons in recovery and service providers.
