OPIOID CRISIS FORUM

Hosted By

St. Mary's Parish
School Auditorium
67 Harvard Street
Brookline, MA

TUESDAY, MARCH 8th
7:00-9:00 pm

St. Mary's Welcome's You

This evening is aimed to have a positive impact on the community that surpasses the harm that is ravaging it due to addiction and abuse of opioids. Our precious time together where we will hear statistics, stories and solutions about this crisis breaks both the silence and our isolation that we may feel. It is our collective hope that those who are suffering in our lives will avail themselves of the resources we have to save their lives. God's blessings upon all who are affected by this deadly epidemic and those who work to help them.
